SAVE MONEY, AVOID HASSLE

- Baht bus: get into a truck that already has passengers and don't say where you're going, or it's a charter price.
- ATM: withdraw larger amounts less often, and choose to be charged in baht.
- Bars: check the slips in your check bin before you pay. Ringing the bell buys everyone a drink.
- Emergencies: tourist police 1155 · police 191 · ambulance 1669.
